Office note 2

Branch Legislative & Jud.

Subject- ~~Discontinuance of the use of~~ Three pie paper ~~for which petitions are~~

1. The 1st councillors remarks on the office draft No 2660 dated the 9th June 1904, requesting the Supt of Stamps to take steps to improve the quality of the paper as much as possible and to submit a sample of the improved paper to Govt for approval before the beginning of October next.

"I don't quite understand this. The complaint seems to have reference to the abolition of the three pie p/s & not to its improvement. There is a stock of it sufficient to last for several years & no new purchase is to be made until it is exhausted. What then is the object of this request and requisition?"
